

For safety and security reasons, articles such as those listed below may not be carried in the passengers' baggage. However, some articles, such as medicines, toilet articles, medical oxygen, wheelchair battery etc. may be carried in the passenger's baggage, provided they are carried and packed in accordance with the applicable regulations.

Liquids, Aerosols and Gels (LAGs) including pastes, lotions, liquid/solid mixtures and the contents of pressurized containers, such as toothpaste, hair gel, drinks, soups, syrups, perfume, shaving foam and other items with similar consistencies might be confiscated by security personnel at certain airports in case they do not meet one of the conditions described here below:

- 1) be carried in the hold luggage; or
- 2) be carried in individual containers with a capacity not greater than 100 millilitres or equivalent in one transparent resealable plastic bag of a capacity not exceeding 1 litre, whereby the contents of the plastic bag fit comfortably and the bag is completely closed; or
- 3) to be used during the trip and is either required for medical purposes or a special dietary requirement, including baby food. When requested to do so, the passenger shall provide proof of authenticity of the exempted LAG; or
- 4) obtained airside beyond the point where boarding passes are controlled from outlets that are subject to approved security procedures as part of the airport security programme, on condition that the LAG is packed in a Security Tamper-Evident Bag (STEB) which is a bag that conforms to the recommended security control guidelines of the International Civil Aviation Organisation, inside which satisfactory proof of purchase at airside at that airport on that day is displayed; or
- 5) obtained in the security restricted area from outlets that are subject to approved security procedures as part of the airport security programme; or
- 6) obtained at another European Union airport, on condition that the LAG is packed in a STEB inside which satisfactory proof of purchase at airside at that airport on that day is displayed; or
- 7) obtained on board an aircraft of a Community air carrier, on condition that the LAG is packed in a STEB inside which satisfactory proof of purchase on board that aircraft on that day is displayed.
